

WIDRC Quarterly Meeting - Tentative Agenda

Friday, January 16, 2026 09:30 - 12:00

The meeting will be held online using WebEx.

Mission Statement: The goal of the Wisconsin Distributed Resources Collaborative is to assist the creation of a sustainable market for the deployment of small-scale generation and energy storage technologies in Wisconsin.

With the recent election of several new steering committee representatives, WIDRC is seeking member input on topics of interest for future exploration. If you have not already responded to the two surveys below, please take a moment to do so before the January 16 meeting.
